Re: 5253 Arrowhead Lane, Drexel Hill, PA

Dear Mr. Fastman:

It was a lucky day for me when I picked your company from among the companies listed on the internet as doing home inspections. Your level of service and expertise was astounding. In fact, at the closing, even the seller, who being in the business of buying and reselling homes has dealt with hundreds of inspectors, remarked what a terrific job you did for me. Thank you again.

Very truly yours,

ALLAN D. WINDT
